EDUCATION

University of Massachusetts Amherst

December 2017

Bachelor of Science in Public Health Sciences and Psychology

Certificates: SheCodes Workshops: Basics (11/21), Plus (01/22), Responsive (02/22), React (Upcoming)

Skills: Familiar with JavaScript, HTML, CSS, GitHub, Jira, Monday.com, and G-Suite

RELEVANT PROJECTS

SheCodes Weather App

<https://weather.jennie.codes>

- Developed a real-time weather app that queries the Open-Weather API
- Built with JavaScript, HTML, and CSS and deployed on Netlify via GitHub

Personal Websites

- Inspired by my learnings in SheCodes, I've been building a personal portfolio (jennie.codes), a site for my houseplant collection (mygreen.haus), and a baking blog for my sister (innercrumb.com)

EXPERIENCE

Annkissam

Client Success Manager

May 2022-Present
